§ 851.8 Informal requests for information.

(a) Any person may informally request information under this section as to how to comply with the requirements of this part, instead of applying for a binding interpretive ruling under § 851.7. DOE responses to informal requests for information under this section are not binding on DOE and do not preclude enforcement actions under this part.

(b) Inquiries regarding the technical requirements of the standards required by this part must be directed to the Office of Health, Safety and Security, U.S. Department of Energy, 1000 Independence Avenue, SW., Washington, DC 20585.

(c) Information regarding the general statement of enforcement policy in the appendix to this part must be directed to the Office of Health, Safety and Security, Office of Enforcement, HS-40, U.S. Department of Energy, 1000 Independence Avenue, SW., Washington, DC 20585.

Subpart B—Program Requirements

§ 851.10 General requirements.

(a) With respect to a covered workplace for which a contractor is responsible, the contractor must:

(1) Provide a place of employment that is free from recognized hazards that are causing or have the potential to cause death or serious physical harm to workers; and

(2) Ensure that work is performed in accordance with:

(i) All applicable requirements of this part; and

(ii) With the worker safety and health program for that workplace.

10 CFR Ch. III (1–1–11 Edition)

(b) The written worker safety and health program must describe how the contractor complies with the:

(1) Requirements set forth in subpart C of this part that are applicable to the hazards associated with the contractor's scope of work; and

(2) Any compliance order issued by the Secretary pursuant to § 851.4.

§ 851.11 Development and approval of worker safety and health program.

(a) *Preparation and submission of worker safety and health program.* By February 26, 2007, contractors must submit to the appropriate Head of DOE Field Element for approval a written worker safety and health program that provides the methods for implementing the requirements of subpart C of this part.

(1) If a contractor is responsible for more than one covered workplace at a DOE site, the contractor must establish and maintain a single worker safety and health program for the covered workplaces for which the contractor is responsible.

(2) If more than one contractor is responsible for covered workplaces, each contractor must:

(i) Establish and maintain a worker safety and health program for the workplaces for which the contractor is responsible; and

(ii) Coordinate with the other contractors responsible for work at the covered workplaces to ensure that there are clear roles, responsibilities and procedures to ensure the safety and health of workers at multi-contractor workplaces.

(3) The worker safety and health program must describe how the contractor will:

(i) Comply with the requirements set forth in subpart C of this part that are applicable to the covered workplace, including the methods for implementing those requirements; and

(ii) Integrate the requirements set forth in subpart C of this part that are applicable to a covered workplace with other related site-specific worker protection activities and with the integrated safety management system.
